As the contract training department of the Special School District of St. Louis County, STL Training provides customized training solutions to meet the needs of businesses and the community.

## **Certified Nurse Assistant (CNA) Training**

This non-credit program prepares individuals for entry-level positions as certified nurse assistants in local nursing homes. Applicants for training must meet all screening and testing requirements to include a background check, drug screen, physical exam, proof of immunizations, Hepatitis B vaccination, and negative TB test. The ability to lift up to 50 pounds is required. All applicants must achieve acceptable testing level on the WorkKeys assessment. Applicants must have a high school diploma or high school equivalency (HSE). Selected participants take part in classroom instruction and clinical practice. Soft skill training is incorporated into the program.

### **COST OF PROGRAM**

**There are no costs to the individual upon successfully qualifying for financial assistance. All instructional materials for this training will be provided through funding sources.**

### **SCHEDULE**

The course exceeds the required 75 hours of classroom instruction and 100 hours of supervised on-the-job training. The 100 hours of on-the-job training are in addition to the scheduled class time. Upon successful completion of the course the student is eligible to take the state examination. A strict attendance policy is enforced throughout this training. Intermediate proficiency in English or higher is recommended. Applicants will need to complete and provide the following information:
